# Top artists with most earnings

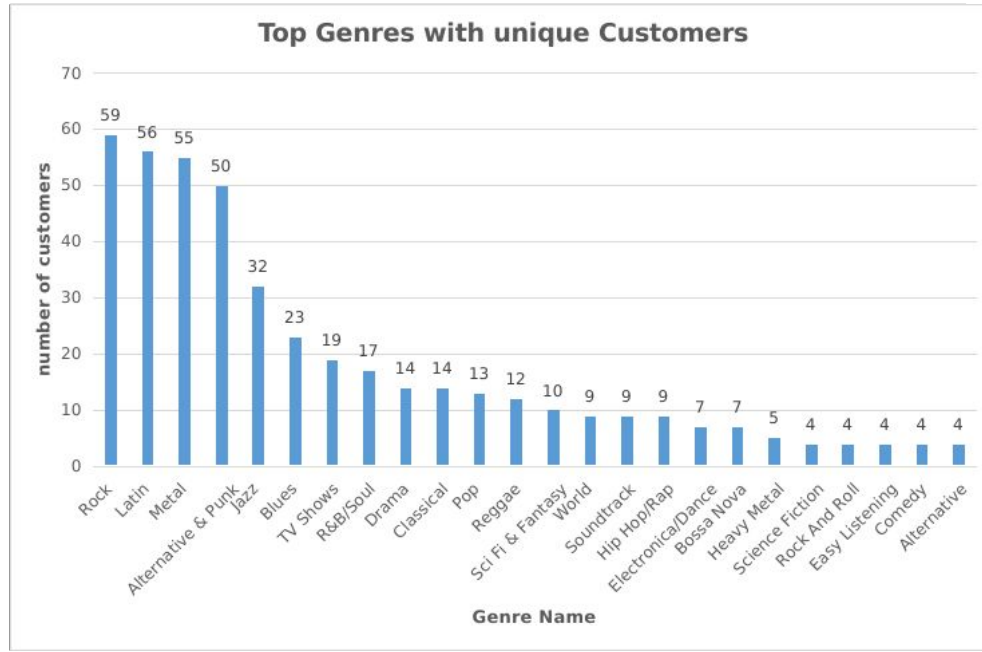

Top Artists with most earnings

- The top artist is '***Iron Maiden***' with total earning of 138.6$.
- The query only outputs 165 artists while there are total of 275 artists, which means that there are 110 artists who did not earn anything yet.
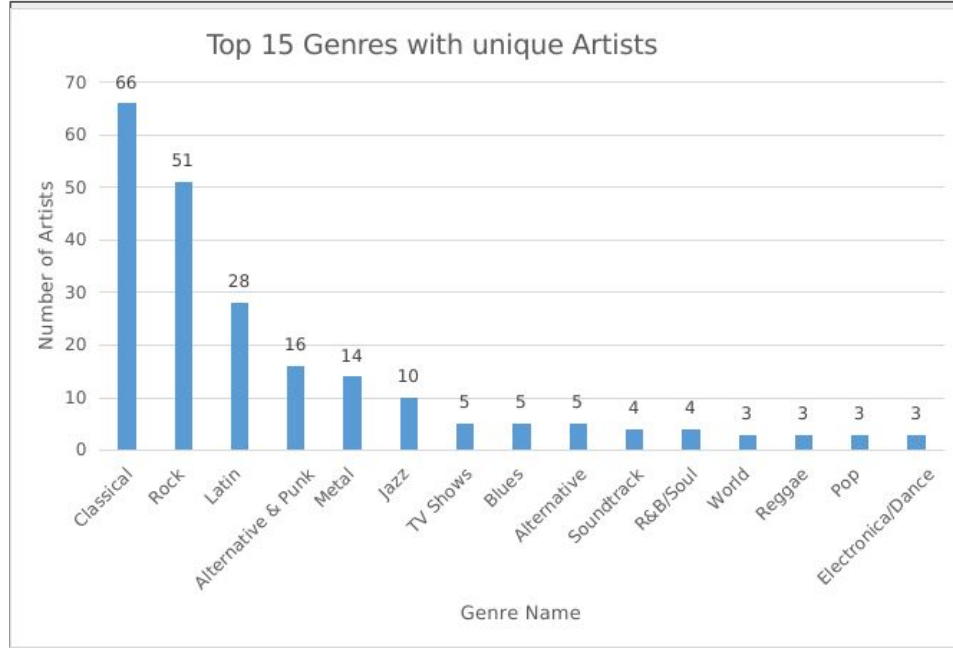

Top Customers spent money on "Iron Maiden"

Most Spending Customers on 'Iron Maiden'

- '**Mark Taylor**' is the most spending customer on '**Iron Maiden**' with total spendings of 17.82 $.
- I concatenated the first name and the last name of the customers to get their full name to be used as an identifier for the customers rather than the customerId which would not be a good for the visualization.
- I used only the first top 15 customers to visualize.

Top Genres with unique customers

Top Genres with unique Customers

- **'Rock'** is the top genre with 59 unique customers.
- It is shown that there might be customers who have made a payment to a specific genre more than once
- It is shown that there are only 24 genre from the query while there are 25 genres in total, which means that there is one genre did not have any invoicelines before, which is **'Opera'**.
